ARCHITECTE

ROLE : Architect, managing director of A.2R.C and administrator of A2RC ARCHITECTS

EXPERIENCE : 25 years

LANGAGUES : French, english and dutch

FORMATION

- * **1995** Architect – I.S.A. Saint-Luc

PROFESSIONAL EXPERIENCE

- * **Since 2019** managing director of A.2R.C and administrator of A2RC ARCHITECTS
- * **1997-2019** Architect in the A2RC ARCHITECTS office
- * **1995-1997** Architect in the Atelier François Van Eetvelde office

As Project Director, Gérard Schroeder will be responsible for managing and leading the various teams from conception to realization. His experience of more than 25 years with A2RC ARCHITECTS makes him a seasoned architect who advocates dialogue between different parties, teams or actors for a common goal. His involvement in the majority of projects in the design phase has allowed him to be involved in projects as diverse as varied as housing, offices, nursing homes or even large-scale mixed projects.

SELECTED PROJECT

- * **ENGELAND SUBDIVISION** - subdivision project consisting of 298 housing units (40,000 m²), Uccle, in progress
- * **ERASMUS GARDENS** - project of an eco-district consisting of 1,500 housing units, individual houses, a school, a crèche, a nursing home, shops, offices (159,000 m²), Anderlecht, in progress
- * **SOVERAIN 23** - construction of a housing complex (22,840 m²), Watermael-Boitsfort, in progress
- * **CONNECTION** - construction of a mixed complex (25,000 m²), Luxembourg, in progress
